

seating for all travelers while on tour. Travelers who are unable to sit comfortably within the space provided by your seat when the armrests are in the down position are asked to book the adjacent seat when making reservations. The fee for the additional seat is a variable portion of the tour price and will be calculated at the time of the reservation. In the event the tour is not sold out, the cost of the second seat will be refunded upon the tour's conclusion. Travel can be denied on the day of departure if the traveler of size is unwilling to purchase an additional seat, cannot fit safely in their assigned seat without infringing on the space of the adjacent traveler, and/or the tour is sold out and no other options are available. Travelers of size are encouraged to notify the office at the point of reservation.

**SEAT SELECTION:** Motorcoach seating is reserved at the time of registration. We **do not** rotate seats during the tour. Those who register early will enjoy a wider selection of seating locations.

**SMOKING ON TOUR:** We have a no-smoking policy on the motorcoach and at all group functions (meals, socials, etc.), including those held outside. Travelers must remember that many destinations do not have the same smoking restrictions to which they may be accustomed.

**TALENT RELEASE:** When you choose to participate in a daytrip, tour or event, you assign and grant to **Sports Leisure Vacations** the right and permission to use and publish any photographs, videotapes, electronic representations and/or sound recordings made of you and release **Sports Leisure Vacations** from any and all liability from such use and publication. Your participation also authorizes the reproduction, sale, copyright, exhibit, broadcast, electronic storage and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of **Sports Leisure Vacations** and you specifically waive any right to any compensation you may have for any of the foregoing.

**TIPPING/GRATUITIES:** Tips for all baggage handlers, door-to-door drivers, wait staff (for included food/drink functions) and step-on guides are included in the tour price. Motorcoach driver gratuities (up to \$4 per person, per day) are also included on all fly-away tours. Gratuities for Tour Directors and local motorcoach drivers are at the option of each traveler. Envelopes are provided in the event you wish to extend gratuities to the tour staff. **Gratuities are strictly voluntary.** As a guideline, we suggest a gratuity of \$6-8 per person, per day, to each

staff member. Additionally, some travelers like to reward hotel housekeepers for their work. An appropriate amount is \$2-3 per person, per day, and should be left each morning on the bed. For cruises and overnight train trips, gratuities for on-board staff will be discussed at the Pre-Tour Orientation Gathering or in the Final Tour Notes.

**VACATION PRICES:** Prices are based on airfares and other charges at the time of announcement. Due to currency fluctuations, fuel surcharges and/or taxes, prices are subject to adjustment prior to departure (particularly on international departures).

**TRAVELERS WITH SPECIAL NEEDS: Our tours are designed with active travelers in mind, and require moderate walking and general mobility to enjoy.** While we welcome all, realistically travelers who require assistance are asked to have a companion capable of and responsible for providing that aid. **If you have severe dietary restrictions, these tours may not be for you. Please inform us of any special needs at the time of reservation.**

By law, **Sports Leisure Vacations** must accommodate service animals on tour, specifically trained to aid a person with a disability. The law\* defines a service animal as one that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Service animals are NOT animals whose sole purpose is to provide emotional support, well-being, comfort, or companionship or to serve as a crime deterrent. If you request accommodation for a service animal, you will be asked if the service animal is required because of a disability and also what work or task the animal has been trained to perform.

A service animal shall be under the control of its handler at all times. A service animal shall have a harness, leash, or other tether, unless either the individual is unable because of a disability to use a harness, leash, or other tether, or the use of a harness, leash, or other tether would interfere with the service animal's safe, effective performance of work or tasks, in which case the service animal must be otherwise under the handler's control (e.g., voice control, signals, or other effective means).

By law we may ask an individual with a disability to remove a service animal from a tour if the animal is out of control and the animal's handler does not take effective action to control it, if the animal is not housebroken, or presents a health or safety risk to other passengers. Any damage

caused by a service animal is the financial responsibility of its owner. Likewise, all care for the animal including, but not limited to, grooming, feeding, sanitary care, etc. is strictly the responsibility of the owner. **Sports Leisure** or other ancillary staff members are not responsible for any assistance in these duties.

**ABOUT YOUR ACCOMMODATIONS:** All rooms generally have two queen, double or twin beds, although limited availability may require committed couples to share one-bedded rooms on rare occasions. Accommodations in national parks, small towns or remote areas may not be of the same quality as in larger cities, but please be advised we have chosen the best available lodgings. We believe your tour experience will be enhanced by the opportunity to stay in or close to these locations. **If you prefer a lower or upper level room, a king-bedded room and/or a room near/adjoining fellow travelers, please notify our office at least 70 days prior to departure. We cannot guarantee these requests, but are happy to notify the hotel for you.**

**AIR TRAVEL:** Preliminary flight information is generally available at the time of reservation. If you have a **seating request** for window, aisle or a specific location on board the aircraft, please notify us when you register. We will make every effort to fulfill your request. Many of our tours use Southwest Airlines which does not offer reserved seating. Final flight schedules will be available at the Pre-Tour Orientation Gathering or sent to you with the Final Tour Notes. Provide your Known Traveler Number (KTN) to the office at least 70 days prior to departure. If you belong to the airline's frequent flyer program, please advise the airline on the day of departure.

**Wheelchairs or electric carts** are available at many airports and should be requested in advance. While we are always happy to help you in obtaining assistance, **Sports Leisure Vacations** has no control over wheelchair/electric cart service and cannot be held responsible for your delayed arrival at a connecting gate. **Gratuities for this assistance are solely the responsibility of the traveler.**

**BAGGAGE:** One piece of checked luggage per person is permitted on getaways of 2-4 days in length. While two pieces of checked luggage per person are permitted on vacations of 5 days or longer, additional fees from the airlines and hotels may apply. On some international tours, only one bag may be allowed. Most airlines now charge for checked luggage. If so, **Sports Leisure** will always pay the first bag fee. Should you choose to check a second bag as allowed, cash payment is due upon arrival at the airport. Carry-on luggage is permitted on all trips, but must remain in your personal care. **Bags weighing more than 50 lbs. will be subject to fees by Sports Leisure Vacations and the airline.**

**CANCELLATION PROTECTION/TRAVEL INSURANCE:** We **strongly** advise the purchase of Cancellation Protection (CP) and/or Travel Insurance on all tours and cruises. **This coverage must be purchased at the time you make your initial tour payment and is nonrefundable if cancellation occurs within 70 days prior to travel.** CP does not include coverage against any act of war, domestic terrorism, weather, pandemics or fear of same. CP prices per person are \$7 (US tours) and \$8 (Canadian tours) per \$100 valuation of the package (based on dbl.occ. price). Travel insurance is based on the length and price of the tour as well as the age of the traveler.

**CP covers you in case of the following:** **1)** Illness or injury when your physician states in writing you are unable to travel; **2)** illness or injury to a parent, spouse, brother, sister, son, daughter, domestic partner or other permanent member of your household and the attending physician advises that your presence is essential; **3)** the death of a spouse, parent, brother, sister, son, daughter, grandchild, domestic partner or other permanent member of your household. **A physician's note stating a specific diagnosis is required for the processing of refunds.** In the event of death, an obituary or death certificate must be submitted.

**Vacation Interruption Coverage:** CP includes the cost of returning the covered party (single coach seat in aircraft) and his or her traveling companion to the tour departure city in the event of serious physician-verified illness **only.** All other charges are the responsibility of the passenger(s). All **recoverable**, unused portions of the package will be refunded, beginning with the day following the traveler's departure from the tour.

**If you purchase CP and your travel roommate (who is not an immediate member of your family or permanent member of your household) is unable to travel within 70 days of departure,** this coverage protects you against any additional charges for single occupancy if you decide to remain on the trip. If you decide not to travel without your partner, there will be a cancellation penalty. These charges are for domestic tours only. Cruise and international tour charges may be higher and have additional conditions.

**Travel Insurance** is offered for purchase on all international tours and cruises, and may be underwritten by an international tour partner, cruise line or other third party. Provisions of the policy vary from tour to tour and will be provided for your consideration.

**CANCELLATIONS & REFUNDS:** Outside 70 days before departure all tour payments are refunded upon cancellation (including CP/Travel Insurance) less a \$20 administrative fee. Refund provisions may vary on international tours, cruises and national park tours which often have additional restrictions. **The charges below are per person and apply if you choose NOT to purchase CP/Travel Insurance or if you cancel for a reason not covered within 70 days of departure:**

\*Plus all non-recoverable costs of transportation (including airfare), admission tickets, lodging and services, which can be up to 75% of the total price of the tour. Additional costs may be incurred for upgraded tour components requested and paid for by the traveler including, but not limited to, airline, train, theatre or performance seating, or lodging.

**DEVIATIONS:** Any custom components and their associated charges **are not** covered by Cancellation Protection including, but not limited to airfare for clients who choose to deviate from the scheduled itinerary or who depart from/return to any airport other than SMF or RNO; or upgrades to include airline or theatre tickets, hotel rooms, etc. You are encouraged to contact **Sports Leisure Vacations** prior to departure to establish a meeting point and time to join the group.
