CREATING MEMORABLE TRAVEL EXPERIENCES SINCE 1979

# One from the Road...

When we returned to the road in August, one of our first trips was across Nevada to pick up the historic **Lincoln Highway** (which later became U.S. 50) and make our way back to Sacramento. Small towns proved to be a good way to gently try and return to traveling. Sure, we would all prefer **not** to have to wear a mask and wash our hands every 20 minutes. But if you love to travel, right now you have to make a few compromises. With any luck, those will be short term and we will be able to travel more freely soon.

Our trip went well. We slipped in and out of a bordello (if 20 people can **slip** in and out of a place like that), ate dinner in jail cells and headed on to tiny Eureka, Nevada. When we got to town, I was surprised to hear an old friend who had flown the coup and left town a few years ago, had returned to Eureka.

Eureka has been a boomtown more times than you can count, and of course, has gone bust an almost equal number of times. The current population is around 600. We don't stay in town, because there are really only two hotels, and when the mines are operating, which is happening now, rooms for a group are hard to come by. What makes the town unique are two things: the beautiful 1880's buildings and **Wally Cuchine**.

Wally was the one who first got me excited about Eureka, many years ago. I'm a sucker for a small town with some character. Eureka definitely has that. The **town** has **character**, and Wally, well; he **is a character** like no other. For many years, Wally was tourism in Eureka. When **Chris** and I came to town on a scouting trip, he showed us around and I was hooked.

Our groups were treated to entertainment in the Opera House, lunch with the local seniors, and Wally's famous tours. First was the "house" tour. You know, the Opera **House** and the Court **House**. Second was the "city tour." Since the town is only about six blocks long, it isn't an all-day affair... The Owl Club is where you play slots or drink at the bar, there's a small grocery, a smaller drug store, an antique store, a bunch of empty store fronts.

Then, after lunch, we would have the **cemetery tour**. Seriously, the first two tours on this page are really interesting. The "houses" are full of history and the little town is quirky as heck. But friends, let me tell you, the **cemetery tour** is the crown jewel. While Wally walks you among the headstones and final resting places of Eureka's dearly beloved and recently (or not so recently) departed, he narrates.

This isn't your **usual** narration. "John was the town banker. He was a community leader and helped build the Opera House." Wouldn't that be lovely? Except Wally isn't into that type of narration. More like, "John was the town banker, until he absconded with \$60,000 and left with Mrs. Brown, the grocer's wife. And here, right over here, is Barkley Jones. You notice all the others in the Jones family are buried there (pointing to a corner of the assembled plots). They hated Barkley, so when he died, they made sure they had nothing to do with him. That's why he's buried on the other side of the cemetery. Then there's Mrs. Ackerman, right here. She was a 'housekeeper,' or so they said. Her son sure is the spitting image of the town mortician. How could **that** be?" More scandal, you can bet Wally has the scoop.

By the end of the tour, you feel like you just watched Ellen, Dr. Phil and Saturday Night Live. **You have truly met the locals** once you finish walking among the headstones.

I didn't know Wally would even be in town. Last I heard he was buying a camper and heading out to see the world when he retired. For reasons I'm hopeful I'll hear about some day, he was back in Eureka.

It's possible the folks on the trip may have noticed the tear in my eye or the crack in my voice when my friend showed up to say hi. Or when he starting telling a couple members of our group about the cemetery tour and I broke out laughing **really** loud.

Maybe the best part of being a traveler for most of your life is the people you meet on the journey. Ain't many like Wally Cuchine. Now that I think about it, there isn't anyone. He's the real deal. Be well Wally. See you soon.

And so it goes...

# A Letter From the Editor...

While the whole world waits, watches and wonders, we peer into a murky crystal ball trying to see the present with more clarity and predict the future. It isn't easy!

I often tell people "travel is an inexact science." Things like bad weather, a cancelled flight or a museum closing for the installation of a new exhibit have a huge impact on an itinerary. They are unfortunate, unavoidable, disappointing and completely out of our control. When we are aware of changes in advance of a departure, we let you know. Substitutions are devised to not only meet, but exceed your expectations. On many occasions serendipity is found in the new offering.

In the pages that follow, as with countless publications before this one, we've created itineraries and priced them based on both contracted services and projections born of knowledge and experience. With the world still in so much flux, chances are great that quite a few changes will be necessary as we move closer to many departure dates. Rest assured you will be notified in a timely manner and refunds will be issued if the substitution costs less. By this same token, there could be times when substitutions cost significantly more. We will fully explain each situation and give you options whenever possible. Again, it's an inexact science in exacting times.

Here are a few things we do know:

**Sports Leisure is up and running again**, operating our first tour following the long "pause" in late August. Through the end of the year we are mostly offering day trips and short regional getaways, but it's a start. Baby steps...

**Your money is safe with us.** We operate in full compliance with the California Seller of Travel Law which states ALL your payments are securely kept in escrow until the tour operates and returns.

**We WILL travel the continent and world again.** It is a cherished desire, a basic need, a human right!

**We've weathered and survived many storms in the past 42 years... we'll survive this one, too.**

Thank you most sincerely for your ongoing and unwavering friendship, support, trust and faith in us and what we do. Truly it means the world to Mark and me, and our entire staff.

## ACTIVITY METER

As part of our commitment to helping you select the right tour for your interests and physical abilities, check out the Activity Meter for each tour to get a feel for how it matches your interests, energy and fitness. It's important to note that more than one level may apply to a tour. For example, some will enjoy a visit to a national park by spending time in the visitor's center and taking a seat with a view. Others might prefer to hike on a nature trail. Same destination, same tour, two different levels of activity.

The letter abbreviations for each departure can be found in the Table of Contents listing for the tour. Where you see two letters, that indicates the ability to add activities or do optional things which increase the amount of physical activity (standing, walking, climbing stairs, etc.). The meter is a guideline. It is impossible to predict every situation on tour, since conditions may change before or during a trip which require itinerary adjustments.

**L Leisurely** – A tour that can be enjoyed by all. A minimal amount of required walking on city streets or generally level surfaces, with few stairs. A theater day trip might be an example.

**M Moderate** – A tour with some walking activities, and standing/strolling at attractions and museums and possibly some stair climbing. A daytrip to the ballpark or a short regional trip (Monterey, CA Coast) might be examples. A moderate trip could include air transportation and navigating through airports.

**A Active** – A tour which includes longer walks (3-5 city blocks). Shorter walks could be on uneven surfaces. Days could be longer (including longer travel days with layovers). **Some of the trips could be at high altitudes.**

This would be the level for most of our longer distance domestic and Canadian tours, the minimum level for an overseas international tour. Tours which mention the ability to walk 3-5 city blocks **in a timely fashion** a couple of times a day fit into this category, as would most of our national park tours. You could find a flight of stairs without handrails. A tour with a seaplane or jeep ride, and the ability to climb into the plane/jeep, would be found in this category. Longer rail tours fit in this category.

**E Energetic** – A tour with an accent on opportunities for walking and other physical activities. Many overseas tours would fit in this category. Long plane flights, perhaps standing or walking longer distances. You might have to climb into a boat, carriage or train. If you need wheelchair assistance at the airport or other places, you should not consider a tour on this level.

**C Challenging** – Tours like these are designed with daily physical activities like hiking and other vigorous activities and can be great travel experiences, **but they are not typical of Sports Leisure Vacations trips.**

An "all coach" trip through the desert, with three nights on the Colorado River

6 Days • February 28 – March 5, 2021

# The Mother Road, Route 66 in California

From Needles to the Santa Monica Pier

4 Days • March 23-26

## HIGHLIGHTS

- Visit Oatman, AZ, one of the most unique towns on the entire route
- Overnights in Needles, San Bernardino, Hollywood
- Your opportunity to "sleep in a teepee" at the Wigwam Motel (optional)
- See Elmer's Bottle Tree Ranch
- Attend "class" at the historic desert schoolhouse in Goffs, Patton trained here
- Visit the McDonald's Museum and hear the founding brothers' story
- Drive past the famous "Paramount Gates"
- Lunch and time on the Santa Monica Pier
- 7 meals: 1 breakfast, 1 full breakfast, 3 lunch, 2 dinners
- Door-to-door home pick-up
- Round trip non-stop flights, to Las Vegas / from Burbank
- 1250/1450 Gold Passport Points

1. A morning flight brings you to Las Vegas, and after a stop for lunch, we head south in search of **The Mother Road**, a popular moniker for **Route 66**. We find it in **Oatman**, a one-of-a-kind old mining town, at the bottom of harrowing Sitgreaves Pass (a route we do not use). Meet the burros, explore the "shops," you haven't traveled 66 until you've been to Oatman.

**Needles** is our final destination for the evening. Join us for a casual dinner, with a discussion of some of the attractions and landmarks we will see on the remainder of our journey. **BW Colorado River Inn (L,D)**

2. During the Dust Bowl Days of the 30's, a horrible drought in the Midwest sent people west in search of food, jobs and a better life. They entered California by crossing a

bridge over the Colorado River on Route 66... if they had \$5 in their pockets. Hear the story and head off to **Goffs**, where an old schoolhouse serves as the backdrop for more Route 66 history. A little known general, Patton was his name, established a training camp here in WWII. One of the groups trained here landed at Normandy. The Route 66 Museum in Victorville is a must-see!

End the day in San Bernardino, where you will have a choice of accommodations. Stay in a regular hotel, or spend the night in a Wigwam! There are two of these hotels on 66, and tonight, you can make your home in one if you wish (some limitations on type of accommodations, inquire at registration). We'll gather everyone together tonight for a great dinner in a landmark Route 66 eatery, The Magic Lamp, in Rancho Cucamonga.

**Wigwam Motel or Comfort Inn Fontana (B,L,D)**

3. The McDonald Brothers first had a restaurant in Arcadia, then moved to San Bernardino, which is where the modern-day fast food concept was born. Would you believe Taco Bell, founded by Thomas Bell, was also born in San Bernardino? Visit the McDonald's Museum before traveling across suburban Los Angeles. Past Santa Anita Racetrack and onto the "Rose Parade street," Colorado Boulevard, into Pasadena, then taking what seems like a back road into downtown Los Angeles, but believe it or not this really is the **Original Route 66**. Sunset Boulevard, is the way to travel into Hollywood on the old road, and we've arranged for a theater tour at the home of the Oscars. **Hilton Garden Inn – Hollywood (B,L)**

4. Past the studios of Hollywood and the luxury of Beverly Hills and on to the coast. The original 66 ended in downtown Los Angeles. It wasn't until 1936, ten years after the road opened, that it was extended out to Santa Monica. Enjoy time on the pier this morning, before doubling back to the Farmer's Market for lunch and free time to browse. Arrive at the airport mid-afternoon, in time for your 5pm flight home. **(F,L)**

# Carson & Virginia

A Tale of Two "Cities"

3 Days • May 20-22

The Capital City of Nevada, **Carson City** began as a stopover for California bound emigrants, but developed into a major city with the discovery of silver in the mountains. It's been the state capital since 1864.

**Virginia City** developed virtually overnight as a boomtown as a result of the silver strike in the region.

1. Arrive at our office via your home pick-up and board your bus for Carson City.

There's a break for lunch at a popular Basque-style restaurant in Gardnerville. The **Stewart School** is one of many where Native Americans were educated from 19890-1990. Now on the National Register of Historic Places, the school represents a huge piece of local history. Your tour includes a chance to interact with a native guide. Following the tour and a refreshment break, arrive at the **Gold Dust West Casino Hotel**. This evening, meet a famous local visitor... **(L)**

2. After a short walking tour to meet some of Carson City's ghosts, head to **Virginia City**, called the Queen of the Comstock. The silver boom started in 1859 and lasted

almost two decades, driving the population to almost 18,000 people. Today, only a few hundred residents live here. Your visit features a trolley tour of town. End the day with dinner back in Carson City. **(B,D)**

3. A docent meets us at the **Nevada State Museum**, to bring all the history to life. There's even a stamping press from the old Carson City Mint. After lunch in Reno, head home via I-80. **(B,L)**

# Mystery Tours...

## No One *EVER* Goes There A California (?) Mystery Tour 4 Days • June 13-16

Standing in the parking lot on his scouting trip, **Tyler** asks the ranger about bus parking. "We haven't had a bus here in 4 to 5 years," came the reply. When Tyler reported in from the road, I told him, "that answer confirms we found the right place. No one goes there." So where can this place be? There is a National Park Service site, a BIG piece of history, a natural spot to visit *before* the season actually starts, a spectacular set of waterfalls, a lovely golf resort on the edge of the woods to stay at/in for three nights (it has a wonderful restaurant). Don't worry, once you get there, no one will take you away. Besides, they would never find you underground. Enjoy 8 meals, door-to-door service and all-coach travel (no air). Perhaps one of the best values of the 2021 season. 1450/1650 Gold Passport Points

# Walla Walla and Pendleton

**Lewis & Clark, Oregon's Cowboy Country, the Columbia River**  
**5 Days • June 1-5**

Enjoy a collage of experiences on this two-state vacation to eastern Oregon and Washington. This is where the Corps of Lewis and Clark walked on their return to Missouri. Today, it's a land of cowboys and wineries, flanked by a majestic river, beckoning the visitor to learn about its colorful history and pleasant small towns. (This was originally a Mystery Tour itinerary in May of 2019. Because it was so highly rated, it returns to the schedule.)

**1.** Off on a short flight to Seattle this morning, followed by an even shorter hop over to **Pasco**, in the Tri-Cities region. Dine at a popular local eatery for lunch, then stop at **Sacagawea State Park**. The only female in the Lewis and Clark party, she is an American legend. The first part of our history lesson focuses on her life and the many roles she played on the journey.

On to **Walla Walla**, where we pause for beverage at the retail store of the Browne Family Winery downtown. In the evening, a casual dinner at the hotel is included to get to know your fellow travelers. **Holiday Inn Express – 2 nights (L,D)**

**2.** At nearby Patit Creek, a costumed character joins us to fill in another piece of the Lewis and Clark story. The entire campsite is recreated in sculpture, allowing you to visualize the scene. Stop at an orchard for a lesson in apple growing, then taste a number of different varieties. Lunch is served in picturesque Dayton at the **Henry Weinhard Hotel** (perhaps you've heard of the beer by the same name).

On the way back to Walla Walla, we make a short fun stop at Klicker's, a unique local store. Could be ice cream involved, you never know. An educational opportunity follows. CBDs have become a popular remedy for aches and pains. The marijuana/hemp derivative is sold all over. Does it work? It is legal? We take you to a local shop to learn about this recent phenomenon. No interest? Enjoy the shops downtown or return to your hotel. Dinner in town tonight is included. **(B,L,D)**

**3.** Optional docent-led art walk on the campus of Whitman College (about 6 blocks, weather permitting) first thing this morning. At the Whitman Mission Historic

# Spring Training

The Cactus League in Arizona with the Giants and A's,  
great dining, baseball speakers  
5 Days • March 4-8

For years you've thought about making the pilgrimage to Spring Training, the Cactus League. Your story is not new. Many of us put off the trip for years and years. But once you actually go to Spring Training you'll likely be hooked.

For a baseball fan, the spring games are special. Every team is undefeated. You watch as the Giants, A's and other teams start to put together the players which will begin the season only a few weeks later. You'll perhaps wonder why it took you so long to get here. You'll partake in the Sunday buffet at the Wrigley Mansion, enjoy the view and the grub at Rustler's Roost, and learn a little at our Baseball Roundtable.

Our Baseball Banquet features a guest speaker with stories to bring a smile to any fan. The parks are small, our seats generally in the shade (amazing how important that little detail is) and the atmosphere is casual and friendly. Our group will number 15-25.

The tentative schedule of games is listed below. Tickets go on sale January 4, so it is important to register before that date, so we can get you the best possible seating. **Those registering by January 4 are guaranteed space.** Spring games (particularly the shaded seats we covet) often sell out quickly. Those calling after January 4 are on a space-available basis or hoping for a cancellation.

## Tentative Game Schedule

Thur., Mar. 4	L.A. Dodgers vs. Giants in Scottsdale
Fri., Mar. 5	Giants vs. Cincinnati Reds at Goodyear
Sat., Mar. 6	Texas Rangers vs. Oakland A's in Mesa
Sun., Mar. 7	A's vs. Anaheim Angels in Tempe
Mon., Mar. 8	Chicago White Sox vs. Giants in Scottsdale

Generally games are during the day, but increasingly teams are scheduling games under the lights. We won't know how many day/night games are on our itinerary until the schedule is finalized.

We have a convenient location between all eight parks, just north of the airport. No park is more than an hour from our headquarters. Enjoy a great breakfast every morning (except Sunday, when we go to brunch at the Wrigley Mansion) at the **beautifully refurbished Marriott Hotel.**

The package includes 6 meals, roundtrip air to/from Phoenix, four nights at the Marriott, game tickets in premium (and generally shaded) locations, the services of a **Sports Leisure** Tour Director and 2550/2900 Gold Passport Points for qualified travelers.

**\$2550 p.p./dbl.occ., \$2895 single** 

## More Baseball

### Giants & A's Day Trips

Every year, we offer a dozen or so day trips to see the A's or the Giants in action. This schedule will be released in our January newsletter. All trips feature round trip bus transportation to the park and tickets to the game. Select Giants trips traditionally include bus transportation to Vallejo, where you board the ferry for the ballpark. Seating locations are announced with the schedule in January.

### The Giants in Seattle

**2/3 Days • April 2-3/4**

The Giants will play interleague games against the Seattle Mariners in the season-opening series in Seattle. Would you be interested in a Giants Road Trip to watch the 2<sup>nd</sup> and 3<sup>rd</sup> games of the season? (Generally the opener is a tough ticket, which is why we are thinking games 2-3.) Game times have not been announced yet. This trip would likely spend two nights in Seattle, but it could be only one. If you think you might be interested, please call and place your name on the **Priority Notification List** for the Giants-Mariners trip. We will make a decision in early January and notify everyone on the list.

### The Hall of Fame in Cooperstown

We had two Baseball History Tours cancelled last year. We are looking at recreating at least one of them in September of 2021. The trip would visit Yankee Stadium and Fenway Park for games, plus have two nights in Cooperstown to visit The Hall. If this trip sounds interesting to you, call and place your name on the **Priority Notification List** for the Hall of Fame Tour. A decision will be made in January. The trip would be 6 or 7 days in length.

While we will be entering and exiting the park several times, we are confident you are going to love the improved accommodations: **Rush Creek Lodge**, located just one mile from the Big Oak Flat entrance to Yosemite National Park on Highway 120. # Newfoundland

Featuring rugged coastlines, quiet beauty and friendly folks

10 Days • August 30 – September 8

Newfoundland, fondly called “The Rock” is a large and diverse island – about the size of California. The sea still is a major influence on the food, the language, the history and the future of this land. Spend 8 full days exploring the rich diversity of people, from the Indigenous cultures to the Irish seafarers to the oil industry workers of today. As we travel from the west coast to the east, keep your eyes open for moose; along the shoreline watch for the icebergs; in Bulls Bay visit the wildlife sanctuary for puffins and other seabirds. The island is populated with folks who love to sing and tell stories so we will join them on four different occasions to share some music, food and stories.

**1-2.** There are no direct flights, nor conveniently scheduled flights to Newfoundland from California, so we are going to make it a leisurely journey across the continent staying one night in Toronto. Upon landing in Deer Lake, you'll be rested and ready to fully experience the grandeur of Western Newfoundland. Dinner included each night. Have your first sample of Newfoundland entertainment at the Gros Morne Theatre Festival your first evening on the island. **Hilton Garden Inn – Toronto Airport; and Shallow Bay Motel – Cow Head – 1 night each (FB,1L,2D)**

**3.** Western Brook Pond is one of the most notable sights in Gros Morne National Park, with deep blue waters and steep rock walls rising straight out of the water. It is a 1.5 mile walk along a gravel path to reach the pond. Your efforts are rewarded with spectacular scenery and a 2-hour boat ride. Of course, then you have to walk back 1.5 miles. Too much walking for you? Bonne Bay is another more easily accessible option. Tonight a special treat has been

created just for you... a progressive dinner featuring local regional foods. **Ocean View Hotel – 2 nights. (B,D)**

**4.** Continue your exploration of Gros Morne National Park with a park geologist, travel through the park with a local guide to Trout River for lunch and a look around. Dinner is on your own tonight but it's recommended to eat in the pub. Grab a beer and a good seat for the show, *Anchors Aweigh*. **(B,L)**

**5.** The journey begins today as we head to Gander, made famous on September 11, 2001 when dozens of planes and hundreds of people from around the world landed on their runways. Visit the airport, the aviation museum and other sites made famous in the hit Broadway show, *Come from Away*. The folks in Gander are both shy and proud of the role they played. Nearly everyone you meet has a story from that fateful incident; yet many choose not to openly share it. **Sinbad's Hotel – 2 nights (B,L)**

**6.** Beothuk Interpretation Centre offers insight to this unique now-vanished culture of the region's Indigenous peoples. In Twillingate, explore a seaside village, where iceberg watching is a common pastime. # Cruising the St. Lawrence River

Relax as the *Canadian Empress* weaves through the islands

9 Days • August 15-23

The **Canadian Empress** is a grand ship built in the classic steamboat style with a warm and friendly personality. Her interior is designed in early heritage-style with brass and elaborate furnishings, recapturing the grace and charm of the early 1900's. The crew is committed to providing a relaxing and comfortable experience, regaling the elegance of the early era of cruising, as the ship plies the waters of the magnificent St. Lawrence River.

The cruise features daily attractions with included shore excursions, complimentary domestic beer and wine with meals, nightly entertainment and a never ending supply of inspiring river scenery.

The St. Lawrence River is surely one of the most enchanting rivers on the planet, as it meanders for miles upon miles, acting as a natural border between the United States and Canada, as well as providing a major shipping route into the interior of North America. Your journey will traverse through the scenic "1000 Islands" between Kingston and Brockville – an archipelago of 1870 islands stretching over fifty miles; passing beyond Montreal to conclude in Québec City. Journey through six locks and a change of 246 feet in water level; past the summer homes of the rich and famous; up intricate river channels, and into mysterious coves. The shallow draft of the *Canadian Empress* allows her to meander close to the islands and slip into hidden bays and cruise waterfront scenery.

Your journey begins with a flight into Toronto. Drive to Kingston and board the ship the next day. Cruising the river you'll sail past Millionaires' Row, Boldt Castle and the St. Laurens Statue. Dock in Brockville for an evening in this delightful heritage town that was once the center of wealth and industry. Continue along the river to the Fort Wellington National Historic Site, commemorating the War of 1812. Farther along the river, visit Upper Canada Village depicting life in a rural English-Canadian 1866 setting. As your horse and carriage passes through the 1850's toll gate into the village, the sights, sounds and smells of a past era are immediately evident.

As you leave Ontario and cruise into Quebec waters, pass through the Eisenhower and Snell Locks (U.S.A.); the Beauharnois Locks, and Cote Ste. Catherine and St. Lambert locks; arriving into Montreal harbor late afternoon. Spend the evening enjoying the unique French-Canadian characteristics of Montreal. In Trois Rivières, visit Notre Dame du Cap Shrine, a famous place of pilgrimage and devotion to Our Lady of the Cape. Explore the beautiful grounds along the way to the Shrine. On your final day, sail past Montmorency Falls

as you approach the romantic and beautiful Québec City. After departing the ship, visit the old district of Québec City and enjoy an evening dinner with your fellow travelers.

# Italy Cooks

For the food-lover and aspiring chef in all of us

8 Days • October 16-23

"I love Italy for its idiosyncrasies – the fun, the unpredictability and the serendipity. The country bubbles with emotion, traffic jams, strikes, and irate Italians shaking their fists at each other one minute and walking arm-in-arm the next. Have a talk with yourself before you arrive. Promise yourself to relax, and remember precision in Italy is limited to the pasta (which is always exactly and reliably *al dente*)." *Rick Steves*

**1-2.** Fly to Italy and transfer to the tiny medieval village of Montefollonico, your home for the next week. Following check-in to your room in a converted villa, meet the welcoming team – Rhonda, Coleen and their cadre of locals – who have come together for two primary purposes: to provide a joyous and memorable experience, and to assure that you return home with a firm grasp of the time-honored secrets of fine Italian cooking. Let your cultural and culinary immersion into Italy begin with dinner! *Mangia, mangia, mangia!*  
**1 Castagni – 6 nights (D)**

**3.** Whereas the actual itinerary is based on the ebb and flow of Italian life (as wisely stated by Rick Steves above), the weather and the natural cycles of what's happening in the garden and vineyard, this is a rough outline of your time in Tuscany. After breakfast a morning cooking session is followed by visits to Pienza, a UNESCO World Heritage Site, and a wine tasting dinner in Monticchiello. **(CB,L,D)**

**4.** Today's cooking class has an *Agriturismo Belagaggio* theme, then visit Montepulciano for dinner at the renowned *Ristorante La Grotta*. **(CB,L,D)**

## HIGHLIGHTS

- 6 nights in the Tuscan village of Montefollonico
- 1 Castagni – superior accommodations in a restored villa
- Daily cooking classes, wine tastings and cultural expeditions
- 17 meals: daily breakfast, lunch (that we usually prepare) and dinner (usually served at a local *ristorante*)
- Small group experience
- Door-to-door service
- Roundtrip airfare to/from Rome or Florence

**5.** Spend the day exploring the wonders, history and rich flavors of fabled Siena. Back home it's pizza night! **(CB,L,D)**

**6.** Enjoy the fruits of the morning's harvest and culinary labors served *al fresco* in the garden, followed by some tasty grazing to include cheese and wine tastings and a dive into the local ceramics scene. **(CB,L,D)**

**7.** Can it be our last full day? Rest assured there's still of plenty amazing food, wine to go, plus a honey excursion to keep things sweet! The evening ends with a gala dinner and graduation ceremony. **(CB,L,D)**

**8.** It's time to say *arrivederci* or extend your Italian vacation with an optional extension in Rome, Florence or both! Preliminary polling had inconclusive results, so a decision will be made next year. **(CB)**

There are some amazing surprises in this show (but JK Rowling has secured a promise from us not to reveal anything more until you see the show for yourself). The trip includes a snack box lunch served on the way to *The City* prior to Part 1 with a 1 pm curtain. Time is allowed for an included dinner at The Daily Grill (only a short walk from the theatre) during the break before the start of Part 2 at 6:30 pm. Return to Sacramento immediately following. # The Sports Leisure Difference...

Answers to these frequently asked questions will tell you more about our company and help you enjoy your vacation to the fullest!

## Can I find you on the web?

You bet! [www.sportsleisure.com](http://www.sportsleisure.com). There you'll find all our recent publications, valuable information on upcoming events and more. While there consider joining our online notification service, *By Invitation Only*, and we'll inform you of time-dated opportunities that present themselves between regular newsletter cycles.

## I hear you refer to customers as "members." Do I have to join a club to travel with you?

Absolutely not, though most travelers do elect to join the **Sports Leisure Travel Club**. Only through club membership will you receive the annual catalog, our bimonthly newsletter *The Traveler* and invitations to our special events. Additionally, only members can participate in Travel Club Gold, our bonus rewards program. A complimentary membership is extended to new and potential travelers upon request. After that, it's only \$10 per person, per year.

## Are there any fees for cancellation after I make my deposit?

Outside 60 days before departure all tour payments (including CP) are refunded less a \$20 per person administrative fee upon cancellation. Within the 60 days before departure, refund provisions vary from tour to tour. International tours, cruises and national park tours often have additional restrictions. Please refer to our Special Vacation Notes and Information brochure for more specific details.

## I have dietary restrictions. Is this going to be a problem?

If you have mild dietary restrictions (vegetarian, lactose or gluten intolerant), it is important for you to advise us at the time of registration. As you can certainly understand, it is quite difficult for your Tour Director to accommodate those who wait until they are actually traveling to share their special needs. If you have severe or multiple dietary restrictions you may find this type of travel is not for you.

## Can I make other special requests?

You are invited to make special requests of the airline and hotel(s) serving your vacation at the point of reservation. The more notice we have, the better our ability to accommodate you. Requests might include specific airline seating, an upgrade and the need for wheelchair assistance at airports; and at hotels a king bed or handicap-

accessible room. Handicap-accessible rooms are limited. We ask you to make this request only if your condition demands it. There could be another traveler who needs the room more than you.

Please note we automatically request a non-smoking room for everyone in the group and a room with two beds for those traveling double occupancy unless you tell us otherwise.

## I live in Nevada. What does your company offer me?

We welcome our Nevada travelers with open arms! Most of you live in residential communities in Reno and Sparks. Our fly-away tours are priced to include air and door-to-door service for those living in the Sacramento, Reno/Sparks, and Carson City areas. Those living a distance from the airports in Sacramento or Reno should consult with our office to determine the options best for you, some of which may add to the advertised tour price. At present, motorcoach tours depart only from the Sacramento area.

## Can you explain "door-to-door service"?

Quite simply this means we will pick you up and return you to your home on all vacations of three days or longer. This service may involve a sedan, SUV, limousine or other chauffeured vehicle.

Provided by Baylight Transportation Services in the Sacramento metropolitan area, door-to-door service is included within these boundaries: Davis on the west, Galt on the south, Auburn and Shingle Springs on the east, Woodland to the north. Service is available for an additional charge for travelers living in Stockton, Yuba City/ Marysville, Grass Valley, Winters, Vacaville, Fairfield, Placerville, Pollock Pines and Colfax.

Nevada door-to-door service is provided by Bell Limousine to anyone living in the Reno/Sparks metropolitan area and south to Carson City.

An \$85 per person credit is available for travelers to whom this service isn't available or for those

who wish to opt out and meet us at the point of departure.

Another option for those who live in outlying areas is to overnight in Sacramento. We have negotiated a special reduced rate of \$99 per night plus tax at the Best Western PLUS Sutter House located downtown at 1100 H Street. You can leave your car there while on vacation and enjoy door-to-door service between the hotel and airport. Call (916) 441-1314 or 1-800-830-1314 and ask for the special **Sports Leisure** rate. We are happy to make recommendations for our Nevada travelers in need of similar services.

On overnight and daytrips, motorcoaches depart from convenient neighborhood pick-up points throughout the greater Sacramento area. Door-to-door service is available for a fee on daytrips and overnights. Call the office for details.

## What can I expect from the motorcoaches you charter?

If you haven't been on a bus since school days, you'll find modern motorcoaches to be a vastly different experience. Whether locally or in fly-away destinations on our continent and beyond, we seek only the best equipment and drivers available with three things in mind: your pleasure, your comfort and above all your safety. Onboard amenities usually include plush seating, audio and video systems, wifi, electrical outlets, climate control and a restroom. Additionally, your Tour Director is never far away with a bottle of water and other refreshments. Of course, our exclusive galley-equipped coach is used on many daytrips and overnights, as well as selected long-distance trips unless it is unavailable due to maintenance or highway size restrictions.

## You have assigned seating on your tours. What's that about?

By the vote of our membership, we do not rotate motorcoach seats as many companies do. You are free to select the seating of your choice at the point of

reservation. Single travelers are sometimes required to take available single seats to leave remaining pairs for those traveling with a friend or spouse.

### **What about airport security restrictions? They seem to change all the time.**

The Transportation Security Administration requires that you provide us your date of birth and full name as it appears on your government-issued photo identification for all vacations involving air travel. Complete passport information is additionally required in advance for international travel. Up-to-date security information can be found on the internet at [www.tsa.gov](http://www.tsa.gov), including details on how you can qualify for TSA Pre-Check. Our staff stays current on the latest regulations in order to provide you timely and accurate assistance.

### **Have passport rules changed?**

Passports are required for all travel outside the U.S. including Canada and Mexico. If you are of foreign citizenship, we highly recommend you check with your country's embassy and follow its instructions to make certain your travel will be legal and seamless. U.S. citizens in need of a passport can pick up an application at any post office or find it online. Please allow 8-10 weeks for processing. Your passport must be valid for at least six months past the scheduled ending date of your international tour.

### **Do I need to worry about airline baggage charges?**

As each airline has different policies regarding luggage and associated charges, you may expect rules and restrictions (number of bags allowed, weight, etc.) to vary from trip to trip. You have this **Sports Leisure** promise: You will never pay to check your first bag on any flight on a U.S. airline. Should you wish to bring a second checked bag, please be prepared to pay your Tour Director at check-in. Second bag charges are not limited to airline fees and may include other handlers such as hotel bellmen. The Tour Planner can advise you of additional charges by calling the office in advance of your departure. You might also find the airline's website helpful.

Checked bag have a weight limit of 40 or 50 lbs. (depending on the trip). Bags weighing more will incur additional fees or be rejected. This policy applies throughout the tour. Many "wheelie" bags and oversized carry-ons that fit in airline overhead bins cannot be accommodated within the cabin of the motorcoach. In such cases, you will be asked to check them coachside with your Tour Director. They will be tagged and available coachside at each overnight stop.

### **Are my payments protected when I pay for my vacation in advance?**

Your deposits and final payments are protected in accordance with the State of California Seller of Travel Law (#2011549-40). In addition, **Sports Leisure Vacations** is a proud member of the Northeast California Better Business Bureau with an A+ rating.

### **Can a friend from another city sign up for a Sports Leisure vacation, or join me for a meal or visit at one of our destinations?**

Yes! We can arrange travel for friends or relatives to meet our groups from any city in the world. (We currently have over 1,000 Travel Club members who live outside the Sacramento area.) If you have friends or relatives who would like to travel with you, have them call us toll free at 1-800-951-5556. With advance notice, we are also happy to welcome your friends or relatives who may live along the tour route and wish to join us for a meal or attraction.

### **Can I extend my vacation to visit friends or relatives?**

The answer is almost always yes, particularly if you register and make your request at least 60 days prior to departure. Many travelers take advantage of this opportunity to visit friends or relatives, or explore a destination in greater detail on their own. There could be additional charges for flight deviations, but generally they are small. Local airport transportation can be provided for an additional \$50 per person. Please note unique air schedules are not covered by Cancellation Protection on domestic trips.

### **I have some trouble walking long distances. Will I be able to participate and enjoy the trip?**

In order to get full value from a travel experience, it is important to be in good mental and physical health. Walking and some step-climbing are necessary to participate in the normal activities on our vacations. While we can do almost everything for you on a **Sports Leisure** vacation, the Tour Director cannot provide sustained attention to individual clients. Please be advised that we visit many cultural sites on tour, not all of which meet A.D.A. requirements due to their historic status. Refer to the Activity Meter and/or call our office to consult with the tour planner.

Let us assure you that people with mobility restrictions are welcome on our vacations. Many of our travelers are over 70 (or even 80 or 90), something we keep in mind when planning our itineraries. In our office, the Tour Planner for each departure knows

the itinerary well and would be happy to consult with you personally should you have questions regarding the amount of walking, elevations, etc., on a particular trip. Additionally, each trip is identified with an activity level. Check out the Activity Meter for each tour to get a feel for how it matches your interests, energy and fitness levels.

### **What if I become ill and cannot travel? Do you offer cancellation protection or travel insurance?**

One or both are available on every departure. Either must be purchased at the time you make your initial tour payment. We strongly recommend you consider this optional protection. Please refer to the *Special Vacation Notes and Information* brochure for details. This coverage may not be available to those who have cancelled more than two tours in a 12-month period or who make their reservation less than one month prior to the departure date.

### **What does travel in the time of COVID-19 look like to you?**

On August 13, 2020, we adopted a set of Health and Safety Protocols, including an Assumption of Risk and Waiver of Liability Agreement, which must be accepted and signed by every traveler before every trip – no exceptions. You can review the document on our website. In this ever-changing climate these protocols could require adjustment. If so travelers will be notified and the website will be updated.

### **How does your company deal with "chronic complainers?"**

One or two can ruin a trip for all. **Sports Leisure Vacations** reserves the right not to accept or retain anyone whose lack of personal hygiene or poor general behavior, in the opinion of the Tour Director, impedes the operation of the tour and/or affects the rights of other travelers. A refund of unused tour services is the limit of our liability if a person is required to leave the tour for the reasons stated above. Said passenger(s) will be responsible for any additional costs to return to the city of origin.

We want to learn, discover and have fun together. Our groups are often complimented on their positive attitude by tourism professionals and other travelers who encounter us on the road. Life is too short for making yourself and others around you miserable due to small challenges that are bound to occur. Travel is by nature an inexact science. Problem travelers will kindly be asked to find another company with whom to travel.

### Turn that old pile of coins into travel cash...

Almost everyone has a bag, box or stack of old coins, often left by a relative who collected them. Why take them to someone you don't know and allow them to value your treasures? Years ago, **Sports Leisure's Mark Hoffmann**

was a coin collector and dealer. Now he's back into the hobby and would be delighted to appraise your old U.S. and Canadian coins and currency, and in many cases make you an offer to purchase them. Or you can keep your treasures with the knowledge of their value. You may set up an office visit, or for collections too large to transport Mark is willing to come to your home for the appraisal. He can also help with estate sales. **To schedule your appointment call Bob or Mark at (916) 361-2051.**
