The first Wide Open Walls Festival happened in 2016. With the completion of the 2019 event a few weeks ago we are all the beneficiaries of over 80 large-scale public art projects adorning previously blank walls throughout the city. Under the leadership of local businessman and visionary David Sobon, WOW has elevated Sacramento into the major leagues as a center for mural creation and appreciation. You are invited to join David for a guided tour around town to see the art, learn about the artists and their influences, and experience for yourself how WOW is transforming Sacramento one wall at a time. Our 4-hour tour is scheduled for a Sunday morning when downtown traffic is at its lightest and will involve both riding and walking. The morning ends with a buffet

lunch served at the Claim Jumper, a popular downtown eatery located in the historic Elk Tower. **\$120**
