First-ever Drive-Thru Preview Day!

In our 41 years, we have had over 70 Tour Preview Days. Until now, **ALL** of them had been held **inside** a building. Until now.

On June 6th, we moved **outside**. Indeed, over 200 attended a most unique Preview Day picking up their printed materials and a small gift (We supported a local tailor during COVID-19 by having him make custom face masks and everyone who showed up got one!). Then they went home and watched the tour presentations online the next day. Those presentations are still there at www.sportsleisure.com.

From top: Mark, Lloyd and Fran Johns and Clayton are the masked people on the masthead; Donna Carey offers information in our “drive thru express lane” (you didn’t even have to get out of your car); Marcia Amant decorated her car in grand style in case there was a parade; Michael and Donna display the custom-made masks; and the bottom picture is of a gang of masked protesters who... no wait, those are all masked **Sports Leisure ladies!**

Just One Man's Opinion by Mark Hoffmann

Grateful & Looking Ahead

As you can see from the front cover of this newsletter, our "Drive Through" Preview Day was a success. Perhaps it was because most of us hadn't seen another human being in months...

It was a grand day. Seeing all of you lifted **OUR** spirits. Monday morning at 9am, the phone lines went bonkers. The

Christmas Mystery Tour was sold out by 9:08. **New Orleans**, which had limited seating available because many from last year rolled over, was full at 9:15. Goodness gracious. (The **Christmas Mystery Tour** has added a second departure due to demand.

We celebrated **Lloyd John's 90th birthday**, marveled at **Marcia's** car, decorated in "**Sports Leisure**" fashion and in general, just enjoyed being in a safe place with friends. And yes, we all wore masks and "elbow hugged."

Some people have said, "Why do you keep announcing trips? Why not just wait until this is over?"

Valid point. Travelers are always in search of the journey. We plan and wait for it, experience it, remember it forever. It isn't just an adventure, for many of us, it is the way we are wired.

Of course, right now, safety has to be a big factor. The next is, are there services available when and where you need them. Restaurants who can accommodate a group, attractions that are open and available, etc.

We've heard it said, "If you have to wear a mask and things are closed and all messed up, travel will be a hassle. It won't be fun." Perhaps folks who say that are right. But maybe they are more **casual** travelers.

Real travelers know travel is an inexact science by nature. They learned long ago to take inconvenience or the unexpected and turn it into something positive. A lot of us are like that. Real travelers tend to be people who take things in stride. Sometimes, you find something you would have never discovered if not for the detour. In fact, **most** of the time it seems to work that way. It's all part of the journey.

We are hearing you may be looking at trips closer to home for the short term. We are listening. Our winter/holiday schedule reflect this. Our annual **Christmas Mystery**

Tour is staying within California. For the first time in nearly 30 years, we won't be heading to **New York City** over Thanksgiving.

Some new tours didn't get settled in time for this newsletter and you'll learn about them next time. **Palm Springs** and two great entertainers (**Jackie Evancho** and **Michael Feinstein**) will be featured in separate concerts on a trip over **Valentine's Day**; I'm trying to get **Chris** to consider part of his **California Missions** tour for an encore next year. If either of those sound fun, call the office and tell them you'd like to be on the list for **Valentines in Palm Springs** or **California Missions**.

The Travel Guys Radio Show

Every Sunday at 3pm on KFBK 1530AM/93.1FM, **The Travel Guys** can be heard. Long time friend and career radio man **Tom Romano** joins me as we cover travel, entertainment, and anything else that seems appropriate. Of course, the program has a bit of a **Sports Leisure slant**, and it's a great place to get the latest travel news and information.

Cards for Joey

Many of you reading this know **Joey Querio**. Joey was a Tour Director for us for many years, retiring a little over a year ago. She has moved into an assisted living center and is experiencing some memory issues.

Would you help us? We would like to show our friend **Joey** she is not forgotten in our hearts. Send or deliver your cards to our office before June 25th. We'll make sure they all get hand delivered.

Dear Mark and Clayton,

Dear Mark and Crew,

Just wanted to let you know I have moved to Paso Robles, California. Since the death of my husband Don in February, my family wanted me to be closer. I have a daughter and son-in-law and granddaughter and family all here. So I am busy going to volleyball and soccer games that the great-grand kids are involved in.

I bought a doublewide in a 55 and older gated community, called Quail Run. I am close to all my kids and the other great-grandma lives here to.

I always remember the great trips I've enjoyed with Sports starting years ago with a small cruise in Alaska. We were *hooked* on Sports after that. You do such a wonderful job with all your travelers you'll be missed. Hugs to all of you,

Loa Christensen

Dear Sports Leisure Travel,

You all are deeply valued and appreciated

Thanks to **Georgian Gee**, who brought these beautiful roses by the office for our **41st Anniversary**

and I can honestly say I've loved every trip, either extended or just a day, that I've been able to take with SL. I know I'm among so many when I say I hope and pray we will all emerge from this dark and bewildering time and travel again together. And every day remember that along with prayers those deep slow breaths of fresh air really help with anxiety!

**A variety of information of importance
to Sports Leisure Travelers...**

Travel in 2020 and Beyond

How many people can ride on a motorcoach right now? To socially distance (in US terms), you would only be able to have 11 people on board. So how do you mitigate that, on a bus or plane or train or any type of transport? Space costs money and it isn't economically feasible to put people 5-6 feet apart.

We are lucky, in that 20 years ago, after 9-11, the 50-passenger jet came into being. Airlines would only sell us 25 seats in advance on those planes at a reasonable fare. What to do? That's when the 25-passenger capacity tour was invented.

Years later, many destinations, including **Key West, Cape Cod, Moab** and a number of others still operate under that philosophy. Our travelers already know the benefit of a half-full coach and are willing to pay the slightly higher cost. Moving forward, for now, trips with a lot of coach time **will be capped at 25**. Trips where the coach time is just moving around a city, **will be capped at 30**.

This will allow those not traveling from the same household (couples, roommates) to have a double seat (the seat next to you empty) if you wish. Of course, you can sit with your traveling companion if you prefer. Masks will be required on the coach. According to the CDC and others, this is one way to offset the lack of distancing.

Safety is never something anyone can guarantee 100% and these times are no exception. Everything involves some risk. Our job is to make informed decisions that limit risk where we can.

OFFICE HOURS:

9:00am – 3:00pm MON. thru FRI.

Closed weekends & major holidays

CLOSED TUES. 12:00pm – 1:15pm

Day Trips

This is a little more problematical. In order to keep the cost reasonable, day trips are based on 30 people, with a maximum capacity of 42. We will not put that many on a coach for a while. With fewer people, the cost of the bus (divided among all travelers) goes up (fewer to share the expense). The additional cost would be about \$25-\$30 per traveler, we estimate.

There are no **Day Trips** announced on these pages, because at this time, all theatrical productions have been cancelled, museums and attractions are mostly closed, restaurants not open enough to accommodate us in many cases. The entire Bay Area is still waiting to reopen. We hope to have an update, along with a selection of holiday day trips, in the **August newsletter**.

COVID-19 Protocols for all Sports Leisure Trips

Masks will be required to be worn on the coach by all people at all times. Knowing this is a sensitive subject with some, after discussion, we have decided all travelers will be **required** to wear a mask or face covering on the coach or while interacting

with others on the trip (meals, attractions).

This is not an option or a request. It is a requirement for traveling with us at this time. Truly, a mask is worn to protect others. Others, in turn, wear a mask to protect you. We protect each other. That's how we roll. If wearing a mask is a personal or political issue for you, we will welcome you back after we have a vaccine and masks are no longer needed, with **no hard feelings whatsoever** on our part. Thank you for understanding our need for safety.

Sanitizing of hands will be required each time you reboard the coach. We will provide alcohol-based sanitizer and wet wipes. If have allergies or refer something else, please bring it with you. Each traveler will be required to sanitize before boarding. Again, this is a requirement of every traveler/staff member.

Temperatures Checks with non-invasive thermometers will be done once a day. If your temperature is 100.6 or above, we will assist you in seeking medical assistance.

Medical Survey – You'll be asked to certify you are not exhibiting symptoms of Coronavirus prior to departure on a short half page survey.

Peking Restaurant Re-Opens

The restaurant popular with our travelers as the spot where our **Pre-Tour Dinners** have been held for nearly 30 years, has reopened. You can use the coupon on this page for a modest discount. You'll be supporting our friends, a wonderful couple who will create a great sit-down or take out meal. You remember sitting in a restaurant and eating? I know, it was long ago. Stopped by a brick

A successful young executive was driving his new Jaguar down a neighborhood street when he noticed a kid darting out from between parked cars. As he continued a brick smashed into his car door. He slammed on the brakes and backed to the place where the brick was thrown.

The furious man jumped out of his car, glared at a young boy and shouted, "What is this all about? Why did you throw a brick at my car?"

The young boy was obviously shaking with fear, but was polite and apologetic. "I'm sorry Mister. I didn't know what else to do," he pleaded. "I had to throw the brick because no one would stop to help me." With tears rolling down his cheeks, he pointed toward the parked cars and said "it's my brother; he rolled off the curb and fell out of his wheelchair. He is hurt and cut his head. I can't lift him up."

The sobbing boy asked the man, "Will you please help me get him back into his wheelchair? He is too heavy for me." The man was moved beyond words and tried to swallow the rapidly swelling lump in his throat. He hurriedly lifted the injured brother from where he lay and put him back in the wheelchair. Using the first aid kit from his car he carefully bandaged the boys cuts.

When he felt that everything would be OK he returned to his car. "Thank you Sir and God bless you," said the brick thrower. The man had no words as he simply watched the little boy push the wheelchair-bound brother down the sidewalk.

He drove slower than usual to his home. When he got out of the car he looked at the dented car door. The damage was quite noticeable, but he never bothered to repair it. He kept the dent to remind him of the message: "Don't go through life so fast that someone has to throw a brick at you to get your attention."

Moral: Life whispers in our souls and speaks to our hearts. Sometimes when we don't listen – it throws a brick at us. It's our choice, listen to the whisper or wait for the brick.

An Apple Farm Christmas

Featuring Hearst Castle and Cambria Christmas Market

4 Days • November 30 – December 3, 2020

A holiday favorite for **Sports Leisure** travelers for many years, the Apple Farm is classic Christmas. Add the grandeur of the Hearst Castle and their decorations and you will be inspired to come home and “deck your halls”. This early December holiday trip includes three nights at the favored Apple Farm Inn; an “upstairs tour” of the Hearst Castle including Hearst’s private office and living quarters; and the Cambria “Christmas Market” to get you into the holiday spirit.

1. Begin with a drive down through the western side of the Central Valley, arriving at Harris Ranch Inn for lunch. Their collection of Christmas decorations is sure to set the spirit soaring with delight. In the company store you will find almonds, apricots and other fine goodies fresh from the neighboring orchards. Continue to the coast, arriving in San Luis Obispo late afternoon. **Apple Farm Inn – 3 nights (L)**

2. Relax a bit with a later morning start before heading out on our excursions. Morro Bay is a quaint coastal village with plenty of shopping, and great clam chowder. We'll

start with a visit to the “rock” to see if we can spot some harbor seals playing in the bay followed with time to browse the shops. This evening, stroll through booths at Cambria’s Christmas Market. Vendors, musicians and festive lights make this a great holiday event. **(FB,L)**

3. A nice hot breakfast prepares you for a day of touring along the Central Coast. First up, we will stop in at the little hamlet of Harmony. Once home to a dairy creamery, this little village is continually re-inventing itself with artisan shops. As time and weather allows, we will visit the Elephant Seal Rookery in San Simeon. December is the month the females arrive to give birth to their 70 pound pups! Then, step back in time as you tour the Assembly Room and the Upstairs Suites of Hearst Castle.

Please note: the tour is 60 minutes in length, includes **332 steps** both up and down, and **3/4 mile walk** with much standing. (You may OPT OUT of castle tour at time of registration and receive \$30 credit). **(FB,L)**

4. Begin your last day with another hot and hearty breakfast. On our return to Sacramento, we make a brief stop in Salinas at the Steinbeck Center. This quintessential

American author truly is the story of local boy “done good.” While Steinbeck’s writings were very controversial at the time they were written, today Salinas is proud of their Nobel Prize author. Arrive Sacramento, early evening to find the transfer to your home provided by our local car service. **(FB,L)**

This holiday vacation includes door-to-door service, r/t motorcoach transportation, accommodations, 7 meals **(3FB,4L)**, all tours and attractions listed, and the services of a **Sports Leisure Vacations** Tour Director. 1450/1650 Gold Passport Points

The California Christmas Mystery Tour

5 Days • December 3-7, 2020

We had a far away destination in mind for this year’s Christmas Mystery Tour. But things have changed since we made that decision last fall. So we’ll wait a year for that itinerary and offer a trip within California in 2020. This four-night adventure visits three different destinations and includes a wide variety of Christmas attractions. Let’s see, water, rails, motorcoach, a short air flight in one direction (yes, it’s a budget tour, so you fly one way and walk home... LOL). Lots of holiday treats (we never miss a feeding), accommodations of the finest order, and a true step back in time along the way. Even Santa himself would be jealous of our itinerary.

Because many people repeat this trip every year, it is very popular (Imagine that, signing up year after year, for a trip where you don’t know the destination.) We strongly recommend you register early. It is perhaps our most sought after reservation of the year! The package includes 9 meals, one way airfare, train, boat and coach transportation, plus the services of a **Sports Leisure Tour Director** (or two). 2200/2450 Gold Passport Points

ACTIVITY METER

As part of our commitment to helping you select the right tour for your interests and physical abilities, check out the Activity Meter for each tour to get a feel for how it matches your interests, energy and fitness. It's important to note that more than one level may apply to a tour. For example, some will enjoy a visit to a national park by spending time in the visitor's center and taking a seat with a view. Others might prefer to hike on a nature trail. Same destination, same tour, two different levels of activity.

The letter abbreviations for each departure can be found in the Table of Contents listing for the tour. Where you see two letters, that indicates the ability to add activities or do optional things which increase the amount of physical activity (standing, walking, climbing stairs, etc.). The meter is a guideline. It is impossible to predict every situation on tour, since conditions may change before or during a trip which require itinerary adjustments.

Leisurely – A tour that can be enjoyed by all. A minimal amount of required walking on city streets or generally level surfaces, with few stairs. A theater day trip might be an example.

Moderate – A tour with some walking activities, and standing/strolling at attractions and museums and possibly some stair climbing. A day trip to the ballpark or a short regional trip (Monterey, CA Coast) might be examples. A moderate trip could include air transportation and navigating through airports; and some high altitudes.

Active – A tour which includes longer walks (3-5 city blocks). Shorter walks could be on uneven surfaces. Days could be longer (including longer travel days with layovers). **Some of the trip could be at high altitudes.**

This would be the level for most of our longer distance domestic and Canadian tours, the minimum level for an overseas international tour. Tours which mention the ability to walk 3-5 city blocks **in a timely fashion** a couple of times a day fit into this category, as would most of our national park tours. You could find a flight of stairs without handrails. A tour with a seaplane or jeep ride, and the ability to climb into the plane/jeep, would be found in this category. Longer rail tours fit in this category.

Energetic – A tour with an accent on opportunities for walking and other physical activities. Many overseas tours would fit in this category. Long plane flights, perhaps standing or walking longer distances. You might have to climb into a zodiac boat if you are with Ramona. If you need wheelchair assistance at the airport or other places, you should not consider a tour on this level.

Challenging – Tours like these are designed with daily physical activities like hiking and other vigorous activities and can be great travel experiences, **but they are not typical of Sports Leisure Vacations trips.**

a local crafts fair. With unique offerings ranging from textiles, leather goods and specialty food times, you're sure to find something you must have! Fly home from Victoria through Seattle with memories and goodies to share. **(FB)**

Are you ready to "ring out" 2020 and start a new year? **Sports Leisure Vacations** has just the trip for you! A swanky New Year's Eve party aboard the historic *Queen Mary* in Long Beach. For several years now, travelers have been asking for a New Year's Eve party (we've had some great ones over the years especially at Harris Ranch Inn, and aboard the *USS Midway*) and **May** has discovered a new experience for you.

1. The festivities begin with a mid-morning flight to Long Beach. After lunch, settle into the Queen Mary Hotel. A docent-guided historical tour of the ship helps you get oriented to the docked ship; and provides some context for your stay. **Queen Mary Hotel – 2 nights (L)**

2. It is New Year's Eve Day, so we have planned a leisurely morning and afternoon. Choose from a visit to the Long Beach Aquarium, a nearby shopping center, or to just relax on the ship. Tonight, a fabulous dinner and music await, as everyone gets dressed up to ring out the old, and ring in the new. Get out your glitz and glitter... **(L, D)**

3. A late morning start is planned after an evening of festivities, but you have another full day ahead. Depart Long Beach for San Diego. After a quick lunch, arrive at the Copley Symphony Hall in San Diego for the afternoon performance of "*Salute to Vienna*"... a dazzling performance evoking the golden age of Viennese music, and is a glorious re-creation of the beloved Neujahrskonzert, the concert that has welcomed the New Year for more than 80 years in Vienna and all over the world.

Embassy Suites Waterfront Hotel – San Diego (L)

4. An mid-day flight returns you home after a festive beginning to 2021. With Strauss waltzes still playing in your ears, and visions of bygone elegance, you can welcome a new year filled with memories of beauty, joy and entertainment. **(FB)**

- Optional side trips to Oatman, AZ and Lake Havasu

- Door-to-door service
- 6 meals: 1 brunch, 4 lunches, 1 dinner
- 1750/1950 Gold Passport Points

For many years we have stayed in Las Vegas but now travelers' comments ask for more time in Laughlin, and less in Vegas... We will still stop on "The Strip" for several hours to satisfy your curiosity, and then continue to your hotel on the Colorado River for 3 nights.

1. Our convenient door-to-door service brings you to the **Sports Leisure Vacations** office. Depart for the south shore of Lake Tahoe for the popular Forest Buffet at Harrah's. Continue your travels down Hwy. 395, crisscrossing California and Nevada as you make your way to Tonopah. Indulge yourself at the Mizpah Hotel, a landmark of luxury since 1907, when Tonopah was the last of the Wild West boom towns, bustling with those seeking fortunes in the silver mines. Due to a limited number of two-bedded rooms at the historic Mizpah Hotel, additional double rooms will be provided at the nearby **Best Western High Desert Inn.** (BR)

2. A quick stop in Las Vegas is just enough to whet your appetite; next, drop by Sam's Town for a dinner buffet. Arrive Laughlin early evening with three nights to enjoy the river view from your hotel. **Golden Nugget – 3 nights (D)**

3-4. With two full days in Laughlin, you have several options. Travel the Colorado River by jet boat to Lake Havasu, home of the famous London Bridge; and view breathtaking Topock Gorge, only accessible by river, along the way. Enjoy a hosted lunch before returning to Laughlin via our coach. (If you opt out of the jet boat ride and lunch at Lake Havasu, you may deduct \$100 from

the price of the tour. This must be done at time of making your reservation.) Or maybe you'd rather visit Oatman, a Route 66 landmark and home to the famous burros. Have lunch at the Oatman Hotel; tho' a word of warning – watch out those burros don't steal your ice cream! (Opt out at time of booking, and receive \$25 credit.) **(2L)**

3 Days • September 15-17, 2020

Come with us down to the beach for some sun-filled, fun-filled days in Santa Cruz. Spend two heavenly nights at the iconic **Dream Inn** where every room has an ocean view and you're steps away from the beach!

The **Dream Inn** has been a part of the Santa Cruz beach landscape since it opened in the early 70's. It quickly became THE PLACE to stay primarily because it's so close to the Santa Cruz Wharf and the popular Santa Cruz Beach Boardwalk. It's been recently remodeled and walking into its retro-chic lobby immediately reminds you that you are near the beach.

Still not convinced? How about waking up both mornings (promise not to rush you), to the sound of the ocean, with the Beach Boardwalk and Santa Cruz Wharf in sight? Also worth mentioning is that this is a no-fly trip, meaning we'll be traveling in the comfort of our deluxe motor coach.

Included: lunches at Porter's Restaurant at the Poppy Ridge Golf Club in Livermore and the Crow's Nest in Santa Cruz, and dinner with a sunset ocean view at our hotel.

We've replaced the canceled Follies Show with visits to either the **Seymour Marine Discovery Center**, a community-supported marine science education center of the UC Santa Cruz or the nearby **Monterey Bay National Marine Sanctuary Exploration Center**, featuring state-of-the-art exhibits and interactive displays highlighting the sanctuary and its incredible underwater environment.
